# WHAT IS BLU-RAY & 3D BLU-RAY?

Blu-ray discs can store up to five times the capacity of traditional DVDs and enable you to enjoy Full HD quality with amazing cinema-quality sound. Create the ultimate 3D viewing experience right in your own living room when you pair a Blu-ray 3D player with a 3D Full HD TV. With the latest innovation you can now discover the incredible possibilities of 3D Blu-ray players. It offers breath taking imagery by turning the flat confines of your TV into an ultra-real picture quality.
